

Using the Litany of Love

For a handbag or breast pocket
and as a gift to friends.

Use one part at a time,
or even one line.

In a group of two or more
one says the words in blue and
the other(s) pray those in black.

For use when at prayer:

when exasperated at work,
when rejoicing in creation,
when giving thanks,
when leading prayer in church
or in a small group,
when frustrated with your child,
when there is tension at home,
when watching the sunset,
when travelling in rush hour.

This Litany came out of Bible
study on the subject of Love,
at the end of which this Litany
was 'given' to the author.
It is intended for thoughtful
prayer not for reading.

Proceeds from the sale of this prayer
card will be shared between CHIPS
and Penhurst Retreat Centre.
